APRIL-----Sprouts, Spring, Easter, weather study
MAY-----Insects, Ants, habitat with our own ant farm
JUNE-----Ladybugs, Butterfly hatching, practice for our graduation performance

- We always go to first Friday Mass. If you can join us it would be extra special
- We play outdoors in the snow everyday unless it is bitter cold. We will also walk in all weather except rain. Start to gather your cold weather gear by the week before Thanksgiving.
- If your child has books that pertain to the themes, we would love to share them with the class. Please label everything you send to school.
